Note for hydrogen consumer registrants

Privacy statement

This privacy statement sets out the Department of Planning Industry and Environment's (the department) practices relating to the privacy of your personal information. The department's privacy practices are regulated by the [Privacy and Personal Information Protection Act 1988 \(NSW\)](#) (PIIP Act) and the department's [Privacy Management Plan](#).

When you complete your registration of interest form, you will be asked to provide your personal information to the department. Your personal information relates to you personally and includes any information or opinion made about you. Personal information includes your name, address, phone number, email address or any information from which your identity can be reasonably ascertained.

The department will only collect your personal information for the purpose of administering the NSW hydrogen hub initiative (the initiative). Further information about the program is in the [guidelines](#). The department may only use your personal information in a way which is consistent with this purpose, which could include contacting you in relation to your hydrogen consumer registration of interest.

We will retain the information you have provided for a period that is appropriate for the purpose for which it was provided. Your information will be archived and disposed of in accordance with the department's policies, legislative requirements and guidelines based on the NSW State Records Act 1998.

We will not disclose your personal details for any other purpose unless the disclosure is authorised by the [PIIP Act and Regulations](#). Your consent to disclose information for particular purposes may be sought by us or given by yourself for a specific purpose. If appropriate consent is not provided, we may not be able to provide certain products and services to you or your agents.

Under the [PIIP Act](#) you have the right to access your personal information held by the department without excessive delay or expense. You also have the right to have your personal information corrected in certain circumstances (e.g. if it is incorrect). Should you wish to access or correct your personal information contact the department's designated privacy team:
