

## Application Instructions

### Application Instructions

**IMPORTANT: Please read the information below to assist you in completing your application online.**

#### **BEFORE YOU BEGIN**

Welcome to the NSW Net Zero Land Program's online grant application service powered by SmartyGrants.

This Living Carbon grants application form is for project proposals for grant funding under the NSW Government's Primary Industries Productivity and Abatement Program's Living Carbon Grants. Please read the following to assist you in completing this form:

- [Living Carbon Grant Guidelines](#)
- [Living Carbon Grants FAQ](#)

#### **NAVIGATING THE APPLICATION FORM**

You will find a Form Navigation box on the right side of each page. Click the link to jump directly to the page you want to view. You can also click 'next page' or 'previous page' on the top or bottom of each page to move forward or backward.

#### **SAVING YOUR DRAFT APPLICATION**

If you wish to leave a partially completed application, click 'save and close' and log out. When you log back in and click on the 'My Submissions' link at the top of the screen, you will find a list of all applications you have started or submitted. You can reopen your draft application and start where you left off.

You can also download any draft or completed application as a PDF. Click on the 'Download PDF' button at the bottom of the last page of the application form.

#### **COMPLETING AN APPLICATION IN A GROUP OR TEAM**

You are welcome to share your login details so multiple team members can access and edit the application form online. However, only one person can work in the form at a time. Please ensure you save as you go.

#### **ATTACHMENTS AND SUPPORTING DOCUMENTATION**

Within your application, you will have the opportunity to attach any supporting documentation.

It would be best to allow enough time for each file to upload before trying to attach another file. Files can be up to 25MB each; however, we recommend keeping files to a maximum of 5MB. Larger files require longer upload times.

#### **SPELL CHECK**

# LCG The Riverina LLS region Application

## Form Preview

Most internet browsers (including Firefox v2.0 and above, Safari, and Google Chrome) have built-in spell-checking functions. You can switch this function on or off by adjusting your browser settings.

### SUBMITTING YOUR APPLICATION

The bottom of the navigation panel has a Review and Submit button. You must review your application before you can submit it.

Once you have reviewed your application, you can submit it by clicking on 'Submit' at the top or bottom of the screen or on the navigation panel. You cannot submit your application until all the mandatory fields are completed and there are no validation errors. No further edits are possible after your application has been submitted.

When you submit your application, you will receive a confirmation email with a copy of your completed application. This will be sent to the email address you used to register in SmartyGrants. Please also check your spam or junk folder if you do not receive your confirmation email.

If you do not receive a confirmation email after submitting your application, please contact SmartyGrants Technical Support at [service@smartygrants.com.au](mailto:service@smartygrants.com.au) or (03) 9320 6888 (Support Desk Hours are 9:00am - 5:00pm AEST on business days).

### QUESTIONS RELATING TO THE PREPARATION OF YOUR APPLICATION

Please refer to the [SmartyGrants Help Guide for Applicants](#) or check out the [Applicant Frequently Asked Questions \(FAQs\)](#), if you require technical assistance completing this form.

For enquiries relating to preparing your Living Carbon grants application, please email [netzero.land@environment.nsw.gov.au](mailto:netzero.land@environment.nsw.gov.au) and quote your submission number. We encourage you to email enquiries to the team as soon as possible to ensure adequate time to respond to your enquiry. Please note that the team cannot meet with individual applicants to discuss the merits of their proposed project during the submission period.

## Grant Guidelines

Before completing this application form, you should have read the [Grant Guidelines](#).

Incomplete applications and/or applications received after the closing date will not be considered.

### Application Number

This field is read only.

### Merit Criterion 4: Value for money

**It is advised you develop a comprehensive budget plan before proceeding with Merit Criterion 4 in SmartyGrants.**

**To pass the following criterion, the response must fully meet all the requirements listed below with no deficiencies.**

#### **Project cost tips:**

- Project cost information should be **realistic**, and we require you to attach two **quotes or pieces of evidence** for expenditure items in the Attachment column for each line item. This ensures that we have comprehensive documentation and justification of proposed expenses.
- The total project funding you are seeking from the Living Carbon grants must be **no more than \$200,000**.
- Use whole dollar amounts.

Note: Please ensure **all figures are exclusive of GST**. If your organisation is GST registered, awarded grant funding will include GST.

**You must enter your budget into the tables below.**

**Total Project Cost \***

\$

What is the total financial support you are requesting under this grant?

### Project Amount Confirmation

**This notification is triggered because your Total Amount Requested exceeds the maximum allowable amount per applicant. Please adjust the requested amount to dismiss this notification.**

### Co-contribution

We expect you to commit to co-contribution through direct funding and/or in-kind contributions when you submit your application.

#### **Co-contribution tips:**

- **Third-party contributions** are any monetary or in-kind contributions exclusive of your co-contributions and Living Carbon grants.
- **Third-party contributions will not be considered as replacement for your required co-contribution.**

# LCG The Riverina LLS region Application

## Form Preview

- **There is no minimum amount of co-contribution, but you must ensure that your project can be successfully delivered over the lifetime of your grant.**
- **In-kind contributions** are non-monetary resources where no cash has been transferred to your account(s) for your project. In your application, you are required to detail your assumptions or estimates of the dollar value equivalent of in-kind contributions, such as hourly costs associated with ground preparation or maintenance.

**Note: If you receive third-party funding alongside our grants, we may reduce the Living Carbon grant funding we are willing to award for your project.**

Third-party contributions are any monetary or in-kind contributions exclusive of your co-contributions and Living Carbon grant.

## Budget - Income and expenditure

Please complete your budget using the template below to account for all the costs associated with your project.

### Budget - Income and Expenditure tips:

- Ensure that your budget estimates are as accurate as possible.
- **Ensure that your total income matches your total expenses. You can review the verification section at the bottom of this page for confirmation.**
- In the expenditure section, indicate how much of the **Living Carbon grant** will be used for each relevant item in the Living Carbon grant breakdown column.
- **Read-only item fields** in the expenditure section are not eligible items for the Living Carbon grant.
- Use whole dollar amounts.

Note: Please ensure **all figures are exclusive of GST**. If your organisation is GST registered, awarded grant funding will include GST.

## Income

Please provide details of all sources of funding you expect to receive to deliver your project, whether they are confirmed or not.

### Income tips:

# LCG The Riverina LLS region Application

## Form Preview

- Income refers to the anticipated or projected revenue you expect to receive to support your proposed project. **This income can include funds from various sources, such as government grants, philanthropic grants, donations, sponsorships, fundraising activities, landholder contributions and in-kind.** It is crucial to accurately estimate and justify this income to demonstrate financial feasibility and sustainability to support your proposed project.
- When entering details for each income, **please provide detailed information on the name of the grant or the source of the donation.**
- **Please include the amount you requested for the Living Carbon grants.**

## Expenditure

### Expenditure tips:

- The expenditure information should be **realistic. For items exceeding the \$5,000 threshold, attach two quotes or pieces of evidence** in the Attachment column for each line item. This ensures thorough documentation and justification of proposed expenses.
- **Ensure that your total income matches your total expenses. You can review the verification section at the bottom of this page for confirmation.**
- Use whole dollar amounts.

**Please ensure that the requested Living Carbon grant funding is used for eligible expenses only as outlined in section 2.8.2 of the Grant Guidelines. Ineligible expenses cannot be covered by the grant and must be funded by other sources of funding, i.e. your co-contribution, or third-party co-contributions.**

**Please review the following eligible and ineligible items, under the grant according to the guidelines.**

### Eligible Expenditure:

- Soil preparation (such as through ripping or augering)
- Fencing materials and labour for standard stock fences, please see the requirements below:
  - Fencing dual requirements:
    - Limit Criteria Level 1: The fencing grant amount should not exceed 50% of the total fencing cost.
    - Limit Criteria Level 2: The fencing grant amount should not exceed 50% of the total grant requested amount.

- Direct seeding costs, seeds and direct seeding
- Tube stock
- Tree protection material such as tree guards
- Planting of tube stock, including the installation of tree protection
- ACCU Scheme and Accounting for Nature (AfN) costs, set funding of \$5000

### **Non-eligible Expenditure:**

- Weed control at all stages of your project, including material or labour
- Any site maintenance, as outlined in the planting plan and as required for both the ACCU Scheme and AfN methods to be appropriately met
- Mandated communication activities (this does not apply to opt-in capacity building activities outlined in section 6.5 of the Grant Guidelines)
- No equipment of any kind (e.g. infrastructure, site preparation equipment, fencing equipment, weed spraying equipment, wildlife cameras, etc.)
- Any initial maintenance requirements as outlined in the planting plan
- Project monitoring or reporting tools or time
- Debt financing or investing of money in exchange for equity into start-ups
- Expenditure on the acquisition of land for a project
- Items that can reasonably be considered as business-as-usual operational costs, including but not limited to:
  - 
  - rent, maintenance costs and utilities
  - marketing, communications, promotional costs and website design – for anything not part of the opt-in capacity building work outlined in section 6.5 of the Grant Guidelines
- Business-as-usual staff costs such as redundancy or retirement benefits, workers compensation payments, professional fees or memberships
- Activities carried out or committed to before a grant is offered and accepted
- Legal costs associated with a consortium, disputes or funding arrangements are not agreed to as part of the funding agreement
- Research projects into ACCU Scheme method viability or development
- Maintenance of equipment and materials associated with the grant project
- Administration or mandatory communication costs (\* opt-in communication will be funded through a separate arrangement)

**Please carefully review the fencing explanation provided below:**

**How to verify your total fencing grant amount:**

To ensure accuracy, follow these steps:

- **Step 1: Begin by checking the Limit Criteria Level 1.**
- **Step 2: If the first limit criteria is not exceeded, check the Limit Criteria Level 2.**

Example 1:

- Grant requested amount: \$200,000
- Fencing quote: \$320,000
- **Requested fencing grant amount: \$160,000**
  - Step 1: Check Limit Criteria Level 1: Does not exceed 50% of the total fencing quote (\$160,000) - **Complies**
  - Step 2: Check Limit Criteria Level 2: Does not exceed 50% of the grant requested amount (\$100,000) - **DOES NOT comply**

Example 2:

- Grant requested amount: \$200,000
- Fencing quote: \$320,000
- **Requested fencing grant amount: \$100,000**
  - Step 1: Check Limit Criteria Level 1: Does not exceed 50% of the total fencing quote (\$160,000) - **Complies**
  - Step 2: Check Limit Criteria Level 2: Does not exceed 50% of the grant requested amount (\$100,000) - **Complies**
