

Metering Plan Implementation Grants Application Form

Form Preview

Introduction

1.1 Instructions

Before completing this form, please read the Metering Plan Implementation Grants Funding Guidelines and program updates on the [NSW Climate and Energy Action website](#).

1.2 Disclaimer

The Applicant acknowledges and agrees that:

submission of this application does not guarantee funding will be granted for any project, and the Department expressly reserves its right to accept or reject this application at its discretion.

it must bear the costs of preparing and submitting this application and the Department does not accept any liability for such costs, whether or not this application is ultimately accepted or rejected; and it has read the Funding Guidelines for the Program and has fully informed itself of the relevant program requirements.

1.3 Use of information

By submitting this application form, the Applicant acknowledges and agrees that:

if this project application is successful, the relevant details of the project will be made public, including details such as the names of the organisation (Applicant) and any partnering organisation (state government agency or non-government organisation), project title, project description, location, anticipated time for completion and amount awarded;

the Department will use reasonable endeavours to ensure that any information received in or in respect of this application which is clearly marked 'Commercial-in-confidence' or 'Confidential' is treated as confidential, however, such documents will remain subject to the Government Information (Public Access) Act 2009 (NSW) (GIPA Act); and

in some circumstances the Department may release information contained in this application form and other relevant information in relation to this application in response to a request lodged under the GIPA Act or otherwise as required or permitted by law.

1.4 Privacy Notice

By submitting this Application form, the Applicant acknowledges and agrees that:

the Department is required to comply with the Privacy and Personal Information Protection Act 1998 (NSW) (the Privacy Act) and that any personal information (as defined by the Privacy Act) collected by the Department in relation to the program will be handled in accordance with the Privacy Act and its privacy policy (available at: <https://www.dpc.nsw.gov.au/privacy>);

Project details

* indicates a required field

4.1 Project Objectives

A. Briefly explain how the installation of the proposed metering and monitoring system will lead to improved energy performance at the site. Include any associated projects expected to be implemented following the installation of meters. *

Metering Plan Implementation Grants Application Form

Form Preview

Word count:
no more than 300 words.

B. Does this project require Landowner's Consent? *

- Yes No

C. Please provide evidence of landowners consent or support (if available)

Attach a file:

4.2 Complexity of energy system on site

A. Please tick the boxes below if your site has: *

- Multiple Processes e.g. refrigeration and heating
- Multiple energy distribution system e.g. steam and compressed air
- Multiple energy types e.g. electricity and gas
- Multiple end uses e.g furnaces, freezers, pasteurisers

B. Please detail your response to Question A. *

Word count:
Must be no more than 100 words.

4.3 Metering and Monitoring Plan

A. Upload a copy of your Metering and Monitoring Plan *

Attach a file:

A minimum of 1 file must be attached. Note: Please ensure that your metering and monitoring plan is no more than 3 years old from the day of the grant application and that it accurately reflects the current processes and systems on site.

B. Does the metering and monitoring plan accurately reflect the current processes and systems on site? *

- Yes No

C. Is the scope of the proposed implementation the same as the scope of the attached metering and monitoring plan? *

- Yes No

If you answered NO, please provide more details in question C1.

C1. If you have answered NO for C, please indicate the differences and reasons for any scope changes:

D. Upload a metering schedule *

Attach a file:

Please use this template : <https://netzeroNSW.smartygrants.com.au/d/files/dlm/3dab50725869dcc4f9845673191efd9e3e6eab4>

E. Upload all itemised quote(s) from suppliers and installers for project costs *

Attach a file:

Please zip individual files before upload

F. Upload any other supporting documents here.

Attach a file:

Appendices for Reports etc. Please zip individual files before upload

4.4 Building type

A. Is your application for a commercial building? *

Yes No

A.1 Is the application for a base building?

Yes No

A.2 Was the occupancy certificate issued prior to 1 Jan 2022?

Yes No

4.5 Funding

A. Total Project Cost (\$ ex GST) *

\$

Must be a dollar amount.

B. Total amount of co-funding requested (\$ ex GST) *

\$

Must be a dollar amount and no more than 100000.

C. Maximum co-funding amount (\$ ex GST)

\$

This number/amount is calculated.

D. Business Contribution (\$ ex GST)

\$

This number/amount is calculated.

E. Are you receiving, or do you intend to apply for any other external funding relating to this project? *

Yes No

F. If YES, which funding program(s)?

G. Are you receiving funding, or do you intend to apply for funding for other sites within your organisation under this grant funding round? *

Yes No Not Applicable

H. Expected project completion date *

Must be a date.

4.6 Promotion

A. Briefly describe how will you promote the benefits of metering and monitoring expected to be achieved or achieved through this project across your organisation, your networks, and/or supply chain. *

Word count:

Must be no more than 300 words.

Please note that promotion of project benefits is a contractual requirement. Therefore, please specify any means of promotion achievable within the contract duration.

Declaration and Submission

* indicates a required field

5.1 Information for applicant

If your application is successful, you will be required to supply the following on completion of this project:

- Metering commissioning report (a template will be provided).
- Invoices from suppliers and installers for the incurred costs.
- Before and after photos of installed equipment, including a picture of the serial numbers on the installed submeters.

Form Preview

- Evidence of promoting the benefits of metering and monitoring expected to be achieved or achieved through this project
- Invoice to the NSW Treasury for payment of the grant.

5.2 Communication

A. How did you hear about the Metering Plan Implementation Grants? *

- LinkedIn
- NSW Climate and Energy Action Website
- Service provider/supplier
- Industry Association
- Other:

5.3 Declarations

By submitting this application form and attachments:

- A. I declare that all information is, to the best of my knowledge, true, accurate and complete.
 - B. I declare that I am able to complete the project and meet the costs of the project not covered by grant funding.
 - C. I acknowledge that I am required to engage suitably qualified professionals to implement and manage all project activities, and ensure that all works will conform to the relevant safety and quality standards.
 - D. I acknowledge that my project must be completed and all reporting documentation submitted within 6 months of the commencement date of the funding deed.
 - E. I acknowledge that I may be required to participate in pre- and post-implementation surveys about my project.
- I have read and agreed to the terms above.
